## YONKERS COMPOSTS TO REDUCE WASTE

Food scraps and backyard organic waste now can be composted with ease. Visit the Yonkers Recycling Center at 735 Saw Mill River Road to purchase your bins and contribute to a greener, more sustainable Yonkers.

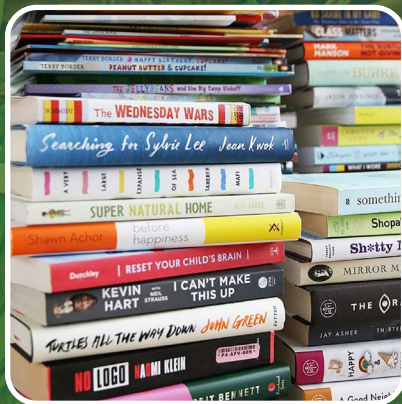

## TRANSFORMING REFUSE COLLECTION

The future of waste management is here. Yonkers DPW will begin installing a new above and underground sealed refuse storage and collection system to improve waste containment.

## YONKERS RUNS CLEAN

In our quest to achieve zero-emissions by 2050, Yonkers' growing electric vehicle fleet soon will welcome DPW's first all-electric refuse truck.

## RECYCLE FOR A CAUSE

Yonkers is now accepting books, clothes, flags and paint for recycling at the Yonkers Recycling Center at 735 Saw Mill River Road. Books and textiles are donated to local charity partners. Donate today!
